

GULF OIL SPILL Disaster Recovery WEBINAR

CRI will be working with local and regional attorneys to provide a free, informational webinar. Please join us to hear from environmental and financial experts and attorneys for the latest updates about the Deepwater Horizon oil spill disaster.

Protect yourself and your livelihood. Learn:

- What has happened so far with the spill
- How it is likely to affect tourism, fishing and related industries
- Your potential claims and types of damages you may be able to recover
- How to document damages and claims

Monday, June 21
10 a.m EST / 9 a.m. CST

To reserve your Webinar seat go to:
www2.gotomeeting.com/register/255433634

Speakers include attorneys **Stuart Smith** of Smith Stag, LLC (New Orleans), **Bob McKee** of the Krupnick Campbell law firm (Ft. Lauderdale) in addition to environmental experts and representatives from Carr, Riggs & Ingram.
