

## SUSAN GUIDRY'S DEPLORABLE RECORD IN THE AFRICAN AMERICAN COMMUNITY NEEDS TO BE EXPOSED!

### LET'S TAKE A LOOK...

- When a local African American woman attempted to open a restaurant (Scotto's Café) at 3841 Orleans Ave., Susan Guidry led the charge to stop the application. She told the previous owner, "There will be too many black patrons, we will shut you down. We don't need this sort of thing in our neighborhood." And with Shelley Midura's help, she did.

- Susan Guidry filed suit against the Baptist Theological Seminary, a traditional training ground for African American theologians. Can you believe this, a place of worship.

SHE REPRESENTS BIG BUSINESS AGAINST "THE WORKING MAN" AND SHE REPRESENTS THE BIG INSURANCE COMPANIES WHO REFUSED TO SETTLE WITH HURRICANE KATRINA CLAIMS.

SUSAN GUIDRY HAS PROVEN TIME AND TIME AGAIN THAT SHE IS NOT A FRIEND OF THE AFRICAN AMERICAN COMMUNITY.

LETS KEEP HER OUT OF CITY HALL!
